

April 25, 1975

SENATOR DWORAK: Mr. President, I move the adoption of the E & R amendments to LB 447.

PRESIDENT: Discussion of the motion? All those in favor say aye, contrary nay. The amendments are adopted.

CLERK: Now, Mr. President, there are amendments offered by Senator Marvel on 447 which have been printed in full in the Legislative Journal on 1444. Then there's a request, Mr. President, to bracket by Senator Marvel on Select File.

PRESIDENT: Would a Sergeant-at-Arms please find Senator Marvel.

SENATOR MARVEL: Yes 447. Those amendments were requested by the Tax Commissioner. In effect they make it possible for the various agencies of state government to work together to get the kind of information that the Tax Commissioner and others need. This is an amendment requested by him. It's on that . . . what page in the Journal did you indicate?

CLERK: 1444.

SENATOR MARVEL: OK. So I move that the amendment to 447 be adopted.

PRESIDENT: Discussion of the motion? The question is the adoption of Senator Marvel's amendment to 447. Record your vote. Record.

CLERK: 25 ayes, 0 nays, Mr. President.

PRESIDENT: Amendment is adopted.

SENATOR MARVEL: Mr. President, while I was signing a motion to bracket 598 on E & R . . . on Select File it was moved. I wonder if I could ask unanimous consent to have it bracketed on E & R for engrossment. 598 is a bill which sets up the new cash fund figures. We've got some more coming in. Rather than let it go any further and then come back I'd ask unanimous consent that 598 be bracketed on E & R for engrossment.

CLERK: Mr. President, the vote on this amendment was 25 to nothing.

PRESIDENT: Yeah, so the amendments are adopted. Senator Marvel could we bra . . . I understand you want to bracket this bill now, is that correct?

SENATOR MARVEL: No.

PRESIDENT: Oh, you want to leave 447. . .

SENATOR MARVEL: Yes sir. I'm sorry, I jumped the gun.

PRESIDENT: So can we advance this bill then?
